ODP 81-1285
11 September 1981

MEMORANDUM FOR: Chief, PMCD/OS

VIA: Executive Officer, ODP

STAT FROM: [redacted]
Executive Officer, ODP

SUBJECT: Audit of A Division, ODP

STAT 1. [redacted] has informed me that ODP's request to upgrade the position of Chief, A Division, ODP, cannot be processed properly because all of the positions within the Division are pending grade review. ODP is not scheduled for an audit of our Applications Divisions before October 1982. However, Pon believes that an ad hoc audit of A Division could be accomplished in the December 1981 timeframe without seriously disrupting the current schedule of DDA audits. Therefore, the Office of Data Processing requests that you conduct an unscheduled audit of A Division in December 1981 in order to complete our request for an upgrade for the Chief, A Division.

2. I will serve as the ODP point of contact and coordinator for this audit.
